

# PRIDE MOUNTAIN VINEYARDS

## 2021 RESERVE CABERNET SAUVIGNON

The considerable power and structure of our 2021 Reserve Cabernet Sauvignon owes to the singular quality of our Rock Arch clone of cabernet. The big, flavorful, mouth-coating 2021 Reserve Cab is truly a “cab for cab lovers”. The density of aroma and flavor is thrilling with layers of cedar, black tea, cassis, and menthol unfolding in your glass. Its deep hue speaks to the concentration that is only possible when working with mature vines. The tannins are pleasantly assertive, having had the chance to integrate for nearly two years in barrel. This wine shows beautifully now but has the gravitas to beneficially age for decades.
